

The Wonder of the Child in the Womb

Reflecting on the humanity of the unborn

From the moment of conception, new life begins – a unique and irreplaceable child, known and loved by God.

On Day for Life, we pray for all children in the womb, and for those parents who carry the pain of loss before or shortly after birth.

May we always cherish, protect, and defend life at every stage.

*“Before I formed you
in the womb
I knew you.”*

Jeremiah 1:5

**Pope Leo welcomes
Irish Bishops' message:**
The Wonder of the Child in the Womb

He “prays that all parents grieving the loss of a child, especially an infant, may find comfort and peace in the knowledge of God’s love for them and for their child.”
