World Smile Day Fri. 2nd Oct., at Operation Smile Ireland, we believe that every
child deserves the opportunity to eat, speak, smile and thrive. Yet in many low-
income countries, families do not have access to, or cannot afford, essential
treatment such as cleft surgery, dental care, nutrition support, speech and language
therapy, and psychosocial care. A small act of kindness can help transform a child's
life, offer hope, healing and the chance for more children to smile with confidence.
