The knowledge of Jesus as Lord and personal Saviour should become a living, personal experience for each Christian. This is made possible by our listening to Jesus through the daily, meditative reading of the Bible, by our talking to Jesus through daily, personal and communal prayers, by our offering our lives on the altar with Jesus whenever we attend Holy Mass, and by our leading a Sacramental life. The next step is the surrender of our lives to Jesus by rendering humble, loving service to Him in Himself and in all others, with the strong conviction that Jesus is present in every person. The step after that is to praise and thank God in all the events of our lives, both pleasant and painful, realizing that God's loving hands are behind everything.

"Do you know who I am?" The bishop wanted to pray for and share his love with the residents of a local nursing home. As he entered the lobby of the nursing home, he saw a ninety-year-old lady sitting in a wheelchair. He faced her and asked her whether she knew who he is. She said, *"Sir, if you do not know who you are, go to the front desk and ask the receptionist. It is always better to know who you are before visiting old folks like me!"*
