Let us pray that the mental health ministry be established throughout the Church, helping to overcome the stigma and discrimination of persons with mental illnesses. Parish Partnership name

Throughout the diocese parishes are being called to come together in new forms. Grouping, cluster, amalgamation of parishes are the way ahead for the diocese that is reduced in priests to service local areas. We are privileged that the parish of Saggart, Rathcoole, Brittas and the parish of Newcastle have been working together for many years. A shared Parish Pastoral Council and Finance Committee has been in place for a number of years showing a shared interest and cooperation between the 'four districts'. We have been invited to discern a common name that has a resonance throughout the area. A number of matters are considered to be significant in relation to parish partnership patron names.

Generally, a parish partnership name should:

1. have a unifying character, avoiding the name of any one parish/church in the partnership;
2. be appropriate to the partnership mission or connect with a tradition of faith in the area e.g. a local saint's name or the name of a local monastery or well;
3. be discerned appropriately by people of all of the parishes in the partnership;
4. not be already in use by another parish partnership in the Archdiocese.

One suggestion raised recently was "Mo Sacra" a saint from the 7th century who set up a monastery in what is currently Saggart cemetery. St Brigid's Well in Rathcoole, St. Finian's Well in Newcastle are other names.

Have you any thoughts or suggestions on a name that could be used.
