"Where two or three meet in my name I shall be there with them." What a wonderful promise that is. And what an extraordinary power that promise gives us as followers of Christ. Because of our Baptism, we are people who always meet in his name whatever the purpose of our meeting. Every time we are together we make Christ present. It is hard to believe and yet we have Christ's word for it. This has huge implications for each of us personally. Every married couple, just by being together in love, is a source of the presence of Christ. Every family home is where he lives because of the people who live there. And everything we do together as a faith community is part of the salvation of the world. However, our responsibility in all of this is to ensure that the quality of our love is such that this presence of Christ can warm the world of all those around us.

As Bishop Router prepares for his Installation on Sunday 20th September, please remember him in your daily prayers.

God, eternal shepherd, you tend your Church in many ways and rule us with love.

You have chosen your servant, Michael, to be shepherd of your flock in the Diocese of Derry.

Give him a spirit of courage and right judgment, a spirit of knowledge and love.

By governing with fidelity those entrusted to his care, may he build your Church as a sign of salvation for the world.

Amen.

The Famine Bell

We have recently acquired, through the good auspices of the Late Father Liam Donnelly, a very old church bell. This bell was cast during the famine years.

The bell has been placed in the old cemetery near the old church ruin in memory of the victims of the Great Famine, many of whom are buried here. It is also a memorial to all victims of conflict in the years since the building of the Church in 1803.

The bell also reminds us that the law of the land forbade Church bells when the old church was built. This was one of the Penal Laws.

Going further back, it also links us to the Great St. Patrick's Bell, which was for many years concealed in Mayogall for safety.

Since the bell was erected last week it has become a focal point of great interest. It marks a site of remembrance and prayer.

The design and construction of the bell was the great work of Packie Duggan, Andreus and Mark. It is an outstanding addition to the parish along with the great work already carried out in the old cemetery.

****CONGRATULATIONS****

We would like to extend our warmest congratulations to Mrs Mary O'Kane on celebrating her 25th anniversary of principalship in our Parish Primary School of St. Brigid's. May the Lord continue to give her strength, wisdom and courage.
