Season of Creation 2026. As we celebrate the first Sunday during the Season of Creation 2026, let us take action individually and collectively as parish communities to care for 'our common home'. The Season of Creation is the annual Christian celebration which invites us to respond in hope and commit to positive action in meeting the challenge and responsibility of caring for creation - 'our common home'. This challenge has been underlined by Pope Francis in *Laudato Si'* (2015) and *Laudate Deum* (2023), and by Pope Leo XIV in his message for the World Day of Prayer for the Care of Creation 2026. As we journey through the Season of Creation, which commenced on 1 September and continues to the feast day of St Francis of Assisi on 4 October - also marking the 800th anniversary of Saint Francis's death, his *Transitus* - let us each take one action to show care for our planet, 'our common home'. The theme for the 2026 season is 'Living Water', symbolised by a small stream flowing from the Temple of God and growing into a deep and powerful river. 'Every act of care for creation becomes part of a global stream of hope.' Christians worldwide are called to address water scarcity, pollution, freshwater damage and climate justice.
