Reflection: We Need Each Other

We sometimes imagine that maturity means becoming completely independent: making our own decisions, standing on our own feet and taking responsibility for our own lives. But none of us becomes fully human alone. There are times when other people see us more clearly than we see ourselves. A husband or wife, a family member or a good friend may notice when something is going wrong long before we are ready to recognise it. That is why we need people who will walk beside us, encourage us and sometimes care enough to tell us something we would rather not hear. It works both ways. Loving another person sometimes means having the courage to speak when remaining silent would be easier. And maturity sometimes means having the humility to listen. We become responsible for our own lives partly by learning that we cannot live them entirely by ourselves. We belong to one another's journey. Learning to live that way is already to begin living the life of heaven.

Thanks to all who brought food and helped to serve it. A great night was had by all - dancing to Raymond Loney and watching the talented grandchildren of Patsy and Vera Irish dancing and playing Tin Whistles. The Season of Creation: 1st Sept – 4th Oct is the annual Christian celebration to pray and respond together to the cry of Creation: This year, we will unite around the theme "Living Water", inspired by Ezekiel 47:9 - a powerful biblical vision of hope and ecological healing. Set amid exile and loss, the image of living water flowing from God's sanctuary reveals divine healing that renews land, water, biodiversity, and human responsibility towards the whole creation.

St Vincent De Paul: The collection will take place in Tempo this Sunday 6th September, 2026.

Keep Free: Saturday 26th September 2026. Charity Auction 2.00pm St Mary's Community Centre.
