Reflection for Sunday 11th October: 28th Sunday: 'God's Call' God's call comes to us in many different ways and at many different levels. However, his call is not so much a voice as a tug at our hearts, which we feel at quiet and reflective moments in our lives. He is calling us to a deeper and more authentic life. He is calling us into intimacy with himself. He is calling us into community with others. And at our death he will call us into eternal life. To accept, we need to admit our need. Jesus said: *'woe to you who are full now, you will go hungry. Blessed are you who are hungry now, for you will be filled'*. A sense of something missing in our lives is not a curse but a blessing. A spiritual hunger is God's way of inviting us to a banquet.
