MAGNIFICA HUMANITAS

One topic that seems to be becoming more and more a matter of concern for all humanity is the rapid development of AI, a tool which will be of immense benefit to humanity, but one which requires enlightened controls, and a clear set of goals that ensure it will be at the service of humanity. Pope Leo has written an Encyclical 'Magnifica Humanitas, meaning the magnificence of Humanity, in which he sets the person at the center of the discussion. It has received wide praise from all involved in the whole area of AI development. To get a copy contact 'bookstation Ireland' or visit the Vatican website @ www.vaticsn.va..

A LITTLE THEOLOGY 'HEAVEN'

In catholic theology heaven is defined as the ultimate state of supreme and definitive happiness through direct,eternal union with the Holy Spirit. The core concepts of heaven are 1. The beatific vision, the central joy of heaven is seeing God face to face in an intimate contemplation of the divine essence.2: The communion of love, heaven is not isolation, it is a shared blessed community uniting the faithful with God, the virgin Mary, the angels and all the saints. 3: Fulfilment of longings, it satisfies all and every deep human desire for truth, goodness and beauty, all pain,sin,sadness and death come to an end. 4: Purification, those who die in God's grace but remain imperfect undergo a final act of cleansing in purgatory before entering the presence of God.

SAINTLY WISDOM 'LAUGHTER

" In order to be worthy of the things of heaven, you must laugh to scorn things present." (St John Chrysostom)

" In this short season of spewing in this weeping world, we must water our seed with the showers of our tears-and then we will have in heaven a merry laughing harvest in heaven for ever…….. (St Thomas Moore)

" Joy with peace, is the sister of charity. Serve the lord with much laughter.' (St Padre Pio)

OCTOBER,-MONTH OF MISSION

Each year the month of October is set aside to remember and pray for that central aspect of the church, mission work,the bringing of the good news to the four corners of the earth. The Irish church has a proud tradition of missionary work spread across the entire globe, 10s of thousands of nuns, brothers, priests and laity have brought the gospel to countless peoples and generations. They both preached the Gospel and lived it, opening, schools, hospitals orphanages, universities, improving farming methods,developing sports, housing women's right and much more. We thank them for their tireless work and leaving such a lasting legacy after them

RIP: The prayers of the church are asked for the repose of the soul of Teresa Murray,Carriagh who died recently. Rest in peace
