Gospel Reflection:
Be persistent… and patient…

Our Gospel today is about persistence… just as the widow in the story pesters the judge until he delivers a just decision we too are called to be persistent.

Persistence in prayer demonstrates that we are not afraid to show our dependence on God even though all around us society says we need be self-sufficient, to look after ourselves. To keep praying is equally looking after ourselves but also the needs of those around us and the needs of our world. The widow in the story is concerned about the delay in getting a response, however we must not only must persevere in prayer we must be patient, awaiting God's time for an answer and accepting the answer even though it may not be one we wanted! God will always give the right answer to our prayers, even if in the immediate moment it may not seem that way.

Take time to reflect on what have been the fruits of your own persistent prayer? When you have patiently waited for God's time and response…

Community in Action at St Oliver's Church

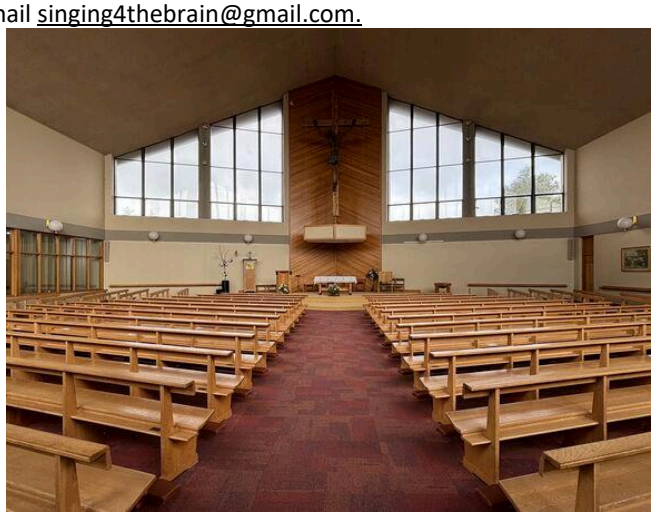

Singing for the Brain Brings the Community Together

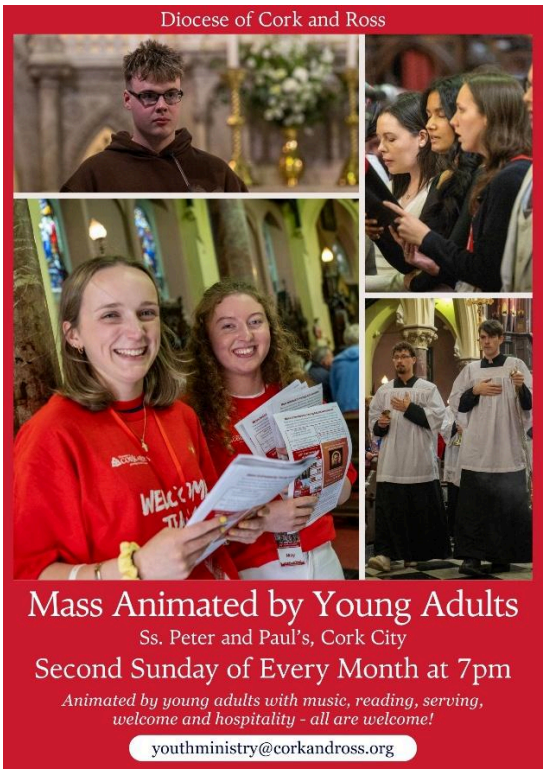

It was wonderful to see St Oliver's Church full of music, movement and conversation recently as members of the local community came together for a Singing for the Brain session. Facilitated by Ceara, the session involved much more than singing, with participants taking part in breathing exercises, movement and activities designed to engage both the body and mind. Most importantly, it provided an opportunity for people to come together, enjoy each other's company and take part in something positive within their local community.

Founded by Fiona Flavin of the HSE, Singing for the Brain uses singing and related activities to support social connection and wellbeing, with sessions taking place in communities across Cork. It is great to see the parish rooms at St Oliver's Church being used to support initiatives like this and to provide a welcoming space where people from the community can meet, learn, participate and connect with one another.

The session is just one example of the positive community activity taking place within St Oliver's and of how our parish rooms can continue to serve as spaces for connection and community.

If you are interested in learning more please contact the Singing for the Brain Administrator on 089 6136342 or email singing4thebrain@gmail.com.
