'A Million Children Praying the Rosary'
On Thursday evening, Pope Leo XIV joined hundreds of schoolchildren at the Lourdes Grotto in the Vatican Gardens to pray the Rosary and launch this year's 'A Million Children Praying the Rosary' campaign. The initiative started in 2005, in Caracas, Venezuela. While a group of children were praying the Rosary at a roadside shrine, several women who saw them recalled the words of Padre Pio: "When a million children start praying the rosary, the world will change!" The women sparked a movement to get one million children to pray the rosary in October. With the help of the Pontifical Foundation, 'Aid to the Church in Need', this has become an annual worldwide event, and Pope Leo is asking parishes, schools, parents and grandparents to encourage children to pray the rosary this month.

Last year, at the invitation of Aid to the Church in Need (Ireland), children from Steelstown Primary School joined with schoolchildren from Holy Family School in Gaza in a day-long recitation of the Rosary. Classes took it in turn to pray a decade, and they received a set of rosary beads made by Christians in Bethlehem. All our schools will be taking part in the initiative again this year, and we encourage everyone to unite with them on Wednesday 7th October, offering the Rosary for peace in our country and in our world.

The rosary is recited here on Mondays at 6.30pm, and on Tuesdays-Saturdays at 9.30am. Please consider joining us in this month of October.

"This was the Lord's doing and it is wonderful to see."

Isn't it amazing how we can so easily take all the wonderful things of life for granted? The result is that life becomes boring or difficult or oppressive for so many people. What makes the difference in life is the quality of our thanksgiving and praise of God and of one another. This week Christ asks us to develop this ability in a special way. Make it a week when criticism is banned especially from our homes and community and when we go out of our way to say thanks and to acknowledge the goodness of one another. This is not easy because we are so used to criticising one another either directly or through gossip. And we justify this by saying that we are only telling the truth! When we are like that, we are not living our faith in Christ who only sees all that is good in each of us.

Father Johnny Doherty, C.Ss.R.
