The Medical Missionaries of Mary have been invited to visit us in Down and Connor this year and will be with us here at Saul and Ballee on the weekend of 26th and 27th September 2026. They will speak of their work, mainly in Africa and South America, and their mission to bring Christ's healing love to those most in need. Our parish and our diocese have supported MMM generously in the past, both in finance and in prayer, and MMM wishes to express gratitude for that support and to emphasise that we here at home are the body of mission, and those who are sent to far away places are the hands and the feet. When they speak to us and share their story they serve as a connection between us and those whom they serve.

IT COULD BE YOU!!!

I am deeply indebted to all the volunteers we have in our 2 Parishes. In fact, we could not function without each of you.

One of the biggest fears that prevent people from volunteering is that they could still be there in 15 years time!!

I don't want that for anyone which is why I am making this appeal.

We are always looking for new volunteers –

- For practical things such as cleaning our churches, helping with the flowers, collectors and counters.
- For the roles of Eucharistic Minister or readers, especially from the younger members of our congregations.
- For the various committees in the Parishes, I can assure you we try to keep the meetings brief and not too often.

If you would be interested, I'd love to hear from you – even to explain what the various roles entail. I am eager to revamp our Parish Pastoral Councils. To look at what can be done to make our Parishes and our celebrations more vibrant and meaningful.

Thank you all for your continued support.

Fr Aidan

Season of Creation 2026 (1 September – 4 October). Join us ...

The Season of Creation is the annual Christian celebration which invites us to respond in hope and commit to positive action meeting the challenge and responsibility to care for creation - our common home. As we journey through the Season of Creation from 1 September through to the feast-day of St Francis of Assisi on 4 October, let us each take one action to care for our planet, our common home.

What action will we take in this season to show care for our planet, our common home?

Action an Eco - tip

- Endeavour to buy locally sourced food on one shopping visit
- Make one journey on foot or use public transport
- Select one day and turn off all non- essential lights

Start the conversation with family and friends – what can we do to care for our common home? Involve young people in our conversations – their voice matters - they will inherit the planet that we create.

Read and consider what others are saying

Let's rise to the challenge

Pope Frances had every confidence that we can make change happen.
'All of us can cooperate as instruments of God for the care of creation, each according to his or her own culture, experience, involvements and talents' (LS14).

St Brigid's Care for Our Common Home Group

We are continuing our discussions around moving to solar panels - an action to reduce parish building carbon emissions.
