Thoughts on the Gospel

Matthew 16:21–27

The Gospel today teaches us that following Jesus is not always a journey toward comfort, popularity, or worldly success. It is a journey of **surrender, sacrifice, and faithful love**.

Jesus showed His disciples that His mission would involve suffering and death before victory could come. Peter resisted this difficult truth because he wanted a safer path. Like Peter, we sometimes want God's blessings without life's burdens, a crown without a cross, and victory without sacrifice.

Yet Jesus teaches us that the greatest profit is not found in gaining more but in becoming more like Him.

Let the word **PROFIT** guide our reflection

True **PROFIT** is not having everything while losing ourselves. It is:

P — Pursuing God's purpose

R — Rejecting empty paths

O — Offering our lives

F — Following faithfully

I — Investing in what lasts

T — Treasuring our souls

When we choose Christ above everything else, even our sacrifices become seeds of renewal. We may lose temporary comforts, but we gain a life filled with meaning, peace, and eternal hope.

May the Father of our Lord Jesus Christ enlighten the eyes of our mind, so that we can see what hope his call holds for us.

Prayer for a New School Year

We thank you Lord, for all that was good during the summer. For the love of family and friends, and for the sunshine and warm days.

As we begin a new school year we ask for your help and pray your blessing on all our school communities. Show us how to work together for the good of all.

May we share our talents and abilities to the full and grow in knowledge, wisdom and happiness. Give us the grace to become more like Jesus in the ways we think and behave.

During this school year, let us become builders of your ways and instruments of your peace. Be with us all as we embark on this new year.

We ask this prayer through Jesus Christ, Our Lord. **Amen.**
