October the Month of the Rosary

The Rosary is a special prayer in the lives of many people.

The month of October, with the Feast of the Holy Rosary, is a special opportunity to once again renew your love for this prayer, even by praying one decade of the Rosary each day.

St. Francis of Assisi with a papal decree, Pope Leo XIV proclaimed a Jubilee Year dedicated to Saint Francis, to be celebrated which began Jan '26 and ends Jan. 10th 2027.

The year marks eight centuries since the death of the Poor Man of Assisi and invites Christians across the world to rediscover and live his message of peace, fraternity, and reconciliation with renewed commitment

Synodality – a call for us to live as a community

- There seems to be a certain amount of resistance to moving on the Synodal Way.
- In rural communities, such as in Feakle where I grew up, people were expected to help one another. To be prepared to help others was a mission that people were aware of because some day it might be us who would need their help.
- Our Christianity taught us to love one another. "See how these people love and care for one another". It's the hallmark of a Christian community. In our world it might seem utopian, yet as Christians we are called on to promote this way of life.

Weekly Reflection

When we think that we have it all figured out – we start getting greedy, and we want it all for ourselves.

When we get caught up in the day-to-day details of our world, those details become our world.

We forget that everything isn't about us. It's about God.
