"Everything is ready. Come to the wedding." I have been at many weddings over the years and it strikes me that no matter how many you go to they are always great occasions. You never get tired of them. That's what Jesus wants for us as his people – that we would be wedding people, joyful, happy, and celebrating. In response to his word this week make a special effort to bring this sense of joy to one another, as this is a vital way to practice our faith. This is particularly important in our homes so that all who live there may know the wonder of God's love. It takes a real effort on the part of everyone to constantly create this sense of gladness, but it is well worth the effort. It is also so important in our faith community to develop this sense of freedom for one another so that others can come to know how much they are loved.
