Sunday Gospel *The story of the unforgiving servant is a lesson in what faithful forgiveness means. At the heart of forgiveness there is a grace. Grace is something that cannot be contained or controlled. Grace shows us that where there is real mercy and forgiveness, there is sharing and generosity. Put simply it means that if you fully receive the mercy of God, it will compel you to share it, to be kind and merciful to your neighbour. It is a difficult notion to understand in a world, or economy, where we are encouraged to be selfish and greedy and make sure that, 'nobody will make a fool out of me'. Time to get real about faith: if you seek and accept God's forgiveness its fruit is the forgiveness you will share with others. (Fr S Crumpton).*

Season of Creation 2026 1 September–4 October. As we prepare to celebrate the first Sunday during the Season of Creation 2026, let us take action—individually and collectively as parish communities—to care for ‘our common home’. The Season of Creation is the annual Christian celebration which invites us to respond in hope and commit to positive action in meeting the challenge and responsibility of caring for creation, ‘our common home’. This challenge has been underlined by Pope Francis in *Laudato Si’* (2015) and *Laudate Deum* (2023), and by Pope Leo XIV in his message for the World Day of Prayer for the Care of Creation 2026. *Eco Tips: Endeavour to buy locally sourced food on one shopping visit. Make one journey on foot or use public transport. Select one day to turn off all non-essential devices.*
