The Kingdom of Heaven

The vineyard parable in today's gospel is about the Kingdom of Heaven. The vineyard owner is God. The labourers are all the people who get an opportunity to hear the word of God and live by it. The agreed daily wage is God's agreement with any of his believers that once they listen to the word of God and put it into action in their daily life then they will get their reward which is life in the Kingdom of Heaven. The work day in this parable represents a person's life on earth.

Jesus used this parable to explain that whether you hear the word of God and put it into action as a young child or whether you only hear about the word of God and put it into action later in life the reward is exactly the same, eternal life in the Kingdom of Heaven.

You put the word of God into action when you avoid anything in your everyday life that is unworthy of the gospel of Christ.

Car Parking

Since the consolidation of Weekend Masses, carparking remains an issue, especially in keeping the carpark entrances and exits clear, for the unhindered access of emergency vehicles. We again ask for your patience and cooperation with the following:

- Please do not park in the reserved spaces for resident and visiting Priests.
- Please do not park in any of the clear ways marked out by yellow lines. These areas are essential to allow unrestricted access to emergency services at all times. They also allow for the safe two-way flow of traffic.
- Please do not move traffic cones, they are there for a reason.
- It is inevitable that double parking will be required. If you have to double park, we would respectfully ask that you return to your car as quickly as possible, so as not to impede other vehicles.

Thank You on behalf of the Parish Assembly
