Should we Obey the Government?

The Pharisees in today's Gospel reading were trying to trick Jesus and make Him say something wrong. They asked Him whether they should pay taxes to the pagan emperor. If He said no then He would be speaking against the emperor, but if He said yes then it would seem like He was saying that it was good for the Jews to be ruled by the pagan Romans.

But Jesus knew what the Pharisees were trying to do. He told them to show Him a coin, and asked them whose picture was on it. They said it was Caesar's (the Roman emperor's,) so Jesus told them, "Then repay to Caesar what is Caesar's and to God what is God's." He was telling them that they should obey the rulers of the land, but also that they should obey God.

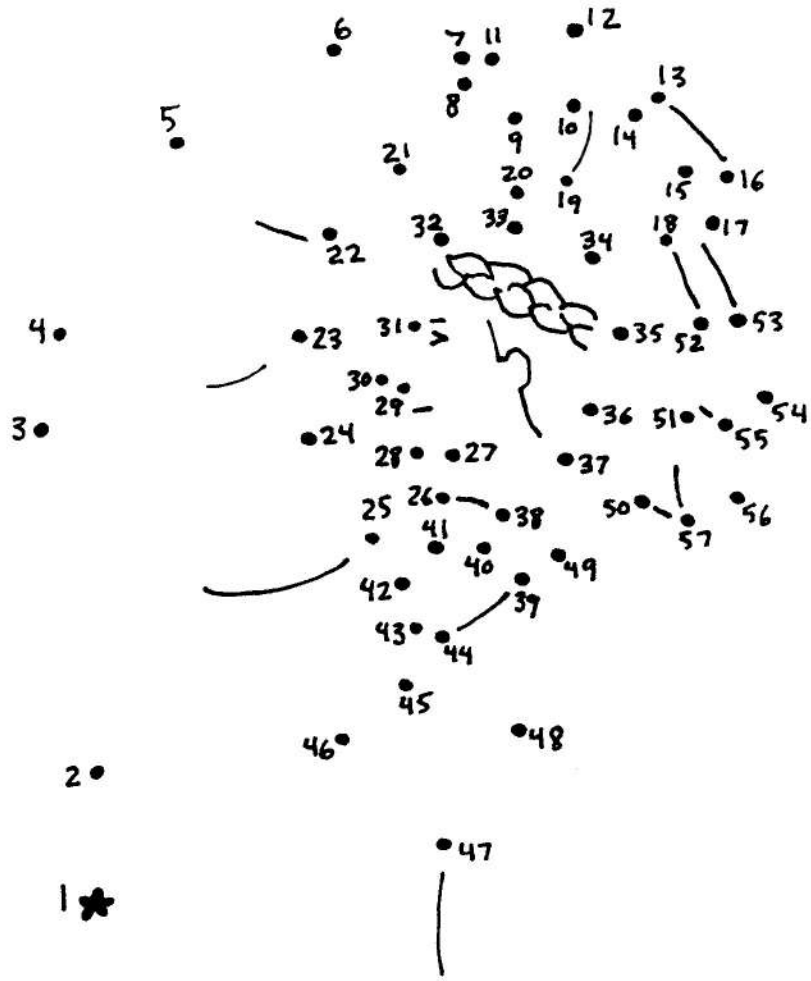

We have two kinds of laws: God's laws and the laws of our governments. Both are for our own good, but God's laws are more important. We should obey the government's laws as long as they agree with God's laws, but we must always obey God's laws. Can you think of some laws that the government makes that are for our good?

The Energy of True Religion

'To love God and love your neighbour - this is one of the most attractive of the sayings of Jesus. It is an encouragement to live fully with what brings the greatest joy in life - true love of God and the neighbour. It is at the heart of good religion, and what attracts many to Jesus. Bad religion puts law above love. Bad religion fights for the partial truth of religion. We risk being victims of bad religion, just as we can be victims of bad nationalism, bad psychology or any other bad way of living. Jesus' life was to propose good religion and to live by it. The religion of some of the Pharisees was bad, in that it was incomplete in its scope. *Fr. Donal Neary*
