SEASON OF CREATION 2026: September 1 to October 4, 2026:

The Season of Creation is far more than an environmental campaign. It is a spiritual journey that invites us to rediscover God as Creator, to receive creation with gratitude, to live more simply, and to care for our common home with love and responsibility. The 2026 theme, "Living Water" reminds us that Christ is the source of living water who renews both humanity and the whole of creation. As we immerse ourselves in God's life, may we become faithful stewards of the earth, working for justice, peace and the flourishing of creation, so that future generations may continue to praise the Creator through the beauty of the world.
