UPDATE ON ST. MACARTAN'S CATHEDRAL:

With the scaffolding now removed, we can now see our beloved Cathedral in all her glory once more. This immense project ensures that St. Macartan's Cathedral is now protected for further generations. As mentioned, our attentions now turn to the finer comforts, such as heating and toilet facilities, working hard to provide the best solution to meet the needs of parishioners, whilst conscious of our responsibility to ensure that we provide a sustainable system which protects our fragile environment. Our current fundraising figure stands at **€2.3million**, raised thanks to the amazing generosity of our parishioners, clergy and diocesan wide support.

Monaghan & Rackwallace Cemetery Sunday 2026 - Today Sunday 6th September at 3p.m.

As always, a big effort has been made by many people to have family grave plots prepared for the Annual Blessing of Graves. A particular thanks to those who gave attention to nearby plots with nobody to attend to them anymore.

Arrangements are in place to promote health and safety and with the co-operation of everybody, these have contributed to a very dignified remembrance of our beloved dead. In the event of an emergency, it requires that the drive-way leading down to the cemetery from the Dublin Road be kept completely clear of vehicles. The Garda will be duty on the day, and have asked that due to the expected large numbers of people and in a narrow roadway, that no vehicles would travel down the road. Please respect them and their desire to keep everyone safe.

Thus, **NO VEHICLES can be admitted into the Cemetery grounds** and we ask that as many as possible leave their cars at home and make the journey on foot. Otherwise drivers should park their vehicle in the grounds of the Cathedral.

There will be a collection taken up on the day and proceeds will go to the upkeep of the graveyards.

We ask parishioners to bring a bottle of water with them and it will be blessed on the day.
