The Deep End – Awaiting the bridegroom *Triona Doherty*
Have you ever run out of fuel? Many of us will be familiar with the panic of seeing the red fuel light appear on the dashboard when we are miles from a petrol station, or had to deal with a flat tyre or a dead car battery. Thankfully these days we have mobile phones and roadside rescue to bail us out. But even with all the warning signals available to us, we can still run out once in a while.
In this wedding story , the bridesmaids who run out of oil for their lamps are condemned as 'foolish'. Among the wedding customs in Jesus' time was a torch-lit procession at night time from the bride's home to the groom's. Bridesmaids were required to be in a constant state of preparedness, since the groom could appear at any time.
In this parable, the fact that the bridesmaids fell asleep is not the issue; all 10 bridesmaids grow drowsy and fell asleep. The issue is that some of them – the foolish ones – were not sensible or watchful enough to ensure they had sufficient oil, because of this they miss out on the wedding feast. There was no one to bail them out; the other bridesmaids had to carry on, for fear that sharing their oil would mean no one would have enough to continue. They must have got quite a shock when they eventually arrived at the bridegroom's house, only to be denied and turned away.
This parable must have served as a dramatic warning to the early Christian community, who were hoping for Jesus' speedy return. It let them know that they could be in for a long wait – 'you do not know either the day or the hour' – and that they must be prepared. As well as having the light of faith, they must possess the fuel – the motivation and the actions – to keep it lit.

Points to Ponder - In today's Gospel, Jesus draws from this revelation about the future the practical moral that a Christian needs to be on the watch, living each day as if it were his last.
The important thing is not to speculate about when these events will happen and what form they will take, but to live in such a way that they find us in the state of grace.
Living each day as if it were your last is a powerful concept that can help us to live more fully and with greater purpose. It reminds us that our time on this earth is limited and that we should make the most of every moment. It also encourages us to focus on what is truly important in life, such as our relationships with others and our relationship with God.
Keeping watch is another important aspect of this passage. It reminds us to be vigilant and to stay alert to the signs of the times. We should be aware of the world around us and the events that are unfolding, so that we can respond appropriately. This means being informed about what is happening in our communities, our nation, and the world, and taking action when necessary.
Today's Gospel, then, is a powerful reminder to Christians to live each day as if it were their last and to keep watch for the signs of the times. By doing so, we can live more fully and with greater purpose, and we can be prepared for whatever the future may hold for us.

'Death is the Gateway to Eternal Life'
Death is just another step along life's changing way.
No more than just a gateway to a new and better day.
And parting from our loved ones is much easier to bear.
When we know that they are waiting, for us to join them there.

So death is just a natural thing, like the closing of a door.
As we start upon a journey, to a new and distant shore.
And none need make this journey, undirected or alone.
For God promised us safe passage, to this vast and great unknown.
So let your grief be softened and yield not to despair.
You have only placed your loved one, in the loving Father's care.
……..

'For since we believe that Jesus died and rose again, even so, through Jesus, God will bring with him those who have fallen asleep. 1 Thess 4:14

TheWay.ie: Is a new digital platform set up by the Irish Bishops Conference dedicated to sharing the 'Good News' and the witness of the Catholic Church in Ireland. It is intended to help people discover the faith, live the faith and pass on the faith. It is for both seekers and followers. Follow us on Facebook, Instagram, X and YouTube.

St. Joseph's Church - A YouTube camera link is now available for services from St. Joseph's Church, Glenullin. The link can be accessed - **https://youtube.com**@parishoferrigalderry.

The Net: As always, it features a wide variety of news, interesting and inspiring interviews, articles, and photos from parishes across the diocese. You can read the Diocesan newspaper on-line at: www.derrydiocese.org/news/categories/the-net. or a paper copy is available at the back of the church. Donations welcome.

Prayer for Peace in the Middle East: God of mercy and compassion of grace and reconciliation, pour your presence upon all your children in the Middle East: Jews, Muslims, Christians, Palestinians, and Israelis. Let hatred be turned into love, fear to trust, despair to hope, oppression to freedom, occupation to liberation. That violent encounters may be replaced by loving embraces, and peace and justice maybe experienced by all. Amen.

St. Joseph's Church: We present a dual gauge to initiative funds in our parish for the on-going costs associated with the renovation of St. Joseph's Church. The gauge on the left indicates the funds we require to complete the refurbishment. The gauge on the right reflects the loans we have received from other parishes. (Gauge also available on website and Facebook page). **Thanks** - **Donations to date** - Current figure £235,400.00.

Providing compassionate care at the end of life - To address the sensitive issue of compassionate care at the end of life, and in response to the need to inform the faithful of Catholic teaching on this important life issue that affects so many families, the Bishops of Ireland have published the pastoral letter: Freedom to Live Fully, Until Death Comes. You are invited to read this letter and view the accompanying video Through the Valley, which offers personal testimonies by carers and people with terminal illness. The key message of both letter and video asserts that every person possesses inherent, infinite dignity that remains intact regardless of their circumstances. In this context, bishops strongly oppose the Oireachtas Committee's proposal to Government to legislate for assisted suicide and call on support for healthcare workers who uphold the sanctity of life. To read Freedom to Live Fully, Until Death Comes and to watch Through the Valley, visit the following link: https://www.catholicbishops.ie/2024/06/24/bishops-statement-on-end-of-life-care freedom-to-live-fully-until-death-comes/

The Catholic Communications Office of the Irish Bishops Conference: Produces a five-story weekly ezine Sharing Good News that reports on stories associated with the Bishops' Conference, activities in parishes and dioceses, and that celebrates Church life generally. If you do not currently subscribe to receiving it and you wish to subscribe to receive Sharing Good News, please register your email address on https://catholicnews.ie/newsletter/

Errigal Hall Volunteers: For this hospitality to continue in the community, we need new volunteers to come forward and help in this voluntary service to the parish. If you are interested, please contact Melinda Robinson. If enough volunteers come forward a rota can be put in place via a WhatsApp group, so that the same people are not required at each function.

Errigal Hall: Parishioners who borrow items from the hall need to sign for their removal from the hall and when they are returned. The signing book is in the kitchen of the hall.

St. Joseph's Church: Choir Practice will take place each Tuesday at 7pm in the church. New members from Primary 4 up are very welcome. Any queries contact Roisin McIlvar 07841407154.

The deceased members registered are remembered in the anniversary list for three consecutive weekends each quarter (three months). Registration is £20 and can be given to a sacristan or Fr. Crowley - please ensure name and address of the person to be enrolled is included and whether it is for a living or deceased member.

Synodal Pathway: Find attached the final versions of the National Synthesis for the Church in Ireland, which is the fruit of the recent process of listening and consultation; it is based on the syntheses produced by the 26 dioceses in Ireland, as well as those submitted by religious congregations and other interested groups. Also attach appendix document from survivors of abuse and the Irish Bishops' Conference Cover Letter, which have all been forwarded to the General Secretariat of the Synod of Bishops. Press Release also attached. We are requested to

bring the Report to the attention of your parishioners and to share it on your social media outlets. It will be a useful tool as parishes move forward on the synodal journey in the autumn. **The Report is now available on the website of the Synodal Pathway of the Church in Ireland website: www.synod.ie**

Parish Envelopes: Following previous discussion with the Parish Finance Committee we encourage consideration for those who use envelopes infrequently to consider the use of a standing order, (through this medium you have full control), of the donation at your disposal. **Further information is available from the parish website.**
If you advance the standing order, (it can be processed on-line with your bank), or alternatively bring the completed mandate to your bank. We request that when you are issuing your instruction to the bank, that you do so with your personal name, in doing so we can therefore identify from whom the standing order has been authorised. It is with your authorisation that the standing order is either processed weekly or monthly. Also, you can withdraw the mandate at your own discretion. We would appreciate an acknowledgement of this transaction (via the parish email) when it is activated, so that we can have a copy for the parish records. In the information forwarded we will require your address and telephone number.
Several parishioners recently have set up a standing order, however we do not know who these parishioners are because they have not provided an address. We ask please that you follow the instructions above and email the parish to inform us who has authorised the standing order.

We request now that the boxes are delivered, if you have not previously returned or updated a parish Census card, please complete the card in the back of the box and return in the collection envelope. Also, the Gift Aid card needs to be signed and returned if you are a taxpayer.
Those who avail of Standing Orders are also asked to complete a Census card and Gift Aid card. These can be collected in each sacristy and returned at your convenience.

collection figures the amounts relating to the increase in standing orders, these figures are stated in brackets.
Parish Census: In the recent distribution of collection envelopes, we request that at your earliest convenience you might return the census card with your family details for parish registration. Also, the Gift Aid card needs to be updated and signed so that the parish can claim Gift Aid if you are a taxpayer, this does not affect your personal details or taxation. If your tax circumstances change, please inform us, if you are no longer a taxpayer.
Census cards are available in each sacristy, once completed they can be returned in a sealed envelope via the collection box at the back of each church. If you have previously registered, you do not have to do so again, unless your household occupation has changed.

This year's Novena continues this Sunday at 7pm in St Mary's Church, Cockhill.
For the nine Sundays before Christmas we will gather for one hour and the ceremony will comprise of the Rosary, a talk given by an invited speaker, the Novena prayer and petitions (which can be placed in a box at the door of the church), a Eucharistic Healing Ceremony and finishing with Benediction of the Most Blessed Sacrament. Once again, the theme of this year's Novena is "Throwing Open the Doors to Christ" – taken from the homily of Pope St John Paul II at the Opening Mass of his Pontificate on 22 October 1978. The Guest speaker on the night will be Fr. Stephen Baxter All are very welcome. Please come along, bring your families and make the most of this opportunity for prayer as we approach the season of Christ's birth.

"November Remember" Pastoral Initiative

With the grim statistic of there having been 150 people killed on the country's roads so far this year (12 more than the same period last year) – 45 of these people aged under 25 and 30 aged over 65 (of the 29 pedestrians killed, 10 were over 65) – we need to redouble our efforts as road users to do what we can to make our roads safer, especially as we enter the darker and colder months.
To this end, while November is a time when we remember our dead, this year, in an attempt to acknowledge that the life and death of each of us has its influence on others, we would like as many people as possible to take on a pledge to use the roads with care in November. The details of that pledge are to be found on posters and our social media pages. Also there is also prayer card that can be collected from the Churches to be kept in your car to be recited each day during the month.
There will be signage placed on the roads entering our two parishes to remind us of this.
Please do your best to participate in this and support it.
