GIFT - GROWING IN FAITH TOGETHER

Has started in St Peters Hall from Thursday 24 September from 6:30pm - 8pm for five weeks. GIFT is a fun, faith-filled programme designed to help the seeds of faith planted through the Sacraments in primary school continue to grow. Through friendship, activities, prayer and shared experiences, GIFT encourages young people to discover that faith is not simply something we receive, but a living relationship with Jesus that can become a natural and joyful part of everyday life. Our hope is to nurture that seed, ignite a fire in the hearts of our young people, and give them the confidence to live their faith openly. By becoming who God created them to be, they can inspire others, carry His light into their homes, parish and communities, and set the world aflame once again!
"Be who God meant you to be and you will set the world on fire".

HOLY HOUR

'Neither theological knowledge nor social action alone is enough to keep us in love with Christ unless both are preceded by a personal encounter with Him. Theological insights are gained not only from between two covers of a book, but from two bent knees before an altar. The Holy Hour becomes like an oxygen tank to revive the breath of the Holy Spirit in the midst of the foul and fetid atmosphere of the world.'

ST FRANCIS OF ASSISI - 4 October
What does St Francis’s witness tell us today? What does he have to say to us, not merely with words – that is easy enough – but by his life? His first and most essential witness is this: that being a Christian means having a living relationship with the person of Jesus; it means putting on Christ, being conformed to him. Where did Francis’s journey to Christ begin? It began with the gaze of the crucified Jesus. With letting Jesus look at us at the very moment that he gives his life for us and draws us to himself. Francis experienced this in a special way in the Church of San Damiano, as he prayed before the cross. On that cross Jesus is depicted not as dead but alive! Blood is flowing from his wounded hands, feet and side, but that blood speaks of life. Jesus’ eyes are not closed but open, wide open; he looks at us in a way that touches our hearts. We turn to you, Francis, and we ask you; Teach us to remain before the cross, to let the crucified Christ gaze upon us, to let ourselves be forgiven, and recreated by his love.
Pope Francis – from homily on St Francis

THE GUARDIAN ANGEL
Our angel is not only with us; he also sees God the Father. He is in a relationship with him. He is the daily bridge; from the moment we arise to the moment we go to bed.
He accompanies us and is a link between us and God the Father. The angel is the daily getaway to transcendence, to the encounter with the Father; that is, the angel helps me to go forward because he looks upon the Father, and he knows the way. Let us not forget these companions along the journey.

ST FAUSTINA – 5 OCTOBER
Born in Glogowiec, in Poland in 1905, died in Kraków in 1938, her short life spent as a Sister of Our Lady of Mercy. Listening to the Lord who is Love and Mercy, she understood that no human wretchedness could measure itself against the mercy which ceaselessly pours from the heart of Christ. She inspired the movement dedicated to proclaiming and imploring Divine Mercy throughout the world.
