Sunday Gospel *Discipleship is about action, the action of prayer or the action of charity. People convince themselves that they are disciples of Jesus, even though they don't have that action of faith in their lives. Faith is challenging, sometimes we have to recognise that we are being called to stillness and peace, other times we are called to serve others by the work that we do. The response we are called to make is to say yes, not to our own wills or wants, but to the will of the Father who always wants and desires what is good for us and for others. We pray today for the wisdom to know when we should be still and to know when we should act. (Fr S Crumpton).*
