CRY OF THE EARTH UPDATE - Three of our large buxus bushes have been blighted and will need to be replaced. This will be quite costly, so if any parishioners would like to sponsor the replacement of a shrub - to celebrate a new arrival into the family, a life well-lived, or simply to improve the grounds around our church for biodiversity - please get in touch. We are considering shrubs that produce flowers in spring and have berries as feed for the birds in autumn. We also require a cherry picker for a couple of hours to cut back the tall trees interfering with service cables. If you have access to one and are in a position to loan it to the parish, or can sponsor a shrub, please contact Mags Condon - 086 839 2518
