COELIAC HOSTS

The Parish has purchased a new pyx for coeliac hosts which clips onto the main ciborium keeping the coeliac hosts separate from other hosts. Next weekend we will start to use this pyx. The priest / Eucharistic minister will change hands when distributing from it, so that there will be no transfer of fragments from the other hosts. People who are coeliacs are now invited to receive Holy Communion like the whole congregation and the table in the sanctuary area will be removed. Thank you for your continued support.

Irish Cancer Society

HOST FOR HOSPICE

October is officially Foyle Hospice Coffee Morning Month. We are calling on supporters to help us raise vital funds by hosting a Coffee Morning. Whether it’s at home, work or in your local community, you can support your local hospice by bringing your friends together and putting the kettle on - it’s a piece of cake! To request your FREE host pack or for more info, please call Ailbhe McDaid, Community Fundraiser, Foyle Hospice, on 028 7135 9888 or email: ailbhe@foylehospice.com

VOLUNTEER SUPPORT

The Irish Cancer Society is seeking compassionate volunteer drivers to join our pool of drivers. As a volunteer driver you would be bringing patients undergoing chemotherapy to the hospital and back home for their treatment. Gifting your time means that cancer patients will have comfortable (one on one) transport to attend appointments for their lifesaving treatment. If you can spare 2 days per month, have a valid driving licence, and a safe, reliable vehicle, you are the perfect candidate to make a significant difference. The Irish Cancer Society will provide you with training before you start as a driver for us. Your generosity not only eases the journey for many during a challenging time but also offers comfort and support when it's needed most. For more information and to become a volunteer driver, please contact Monica or Emily at volunteer@irishcancer.ie
The feedback we receive from patients that have relied on the Transport Service in the past is heart-warming and underlines the need of its existence. We would be extremely grateful for your support, as it will help us to continue supporting those who are impacted by cancer.

WE REMEMBER AT THIS TIME...

Every life matters. This month we remember in prayer those who feel they have no option but to end it all. Holy Spirit, give us a gentle nudge when someone around us is struggling, and give us wisdom to know what to say, when to say it, and when to simply be present. Help us to notice, to listen without judgement, and to offer kindness, compassion and hope.

For those contemplating suicide, Lord, give them a reason to live. Show them that their life has value, they are loved, and their story is not over. Bless them with hope for the life they have yet to live and place the right people around them in their darkest moments. Amen!

BLESSING OF BIKERS AND MOTORCYCLES

‘For where two or three are gathered in my name, I shall be there with them’.

There is a real value of coming together in faith, even if it is only two people, because in doing so we create a space for the Lord to be present. This saying of Jesus is one that gives tremendous value to all our gatherings, especially our gatherings for prayer, no matter how small those gatherings are. Whenever the Lord is present in our midst, he is not there in a passive way. His presence is always an active, lifegiving, transforming presence. There is a great deal going on when even two gather in the Lord’s name. There is so much more happening than just the physical coming together of people. The Lord is at work in their midst. We need never underestimate the value of our gatherings or their power to transform, no matter how small they are.

Living Water
Season of Creation 2026

IMMERSION IN LIVING WATER

Ezekiel 47:9, 12

Creation is God’s work. Before humanity was, the rest of creation came into being. The earth and her creatures—indeed the whole cosmos—have beauty, dignity, and meaning before human presence. So to nurture awe at the wonder of creation is part of our calling. Look up into the skies, walk in the fields, stand at the ocean’s edge. Everything belongs, everything has beauty! The garden is such an insightful model for our care of creation. Our call is to be good gardeners, thoughtful, alert and diligent, working with the soil and with the rhythm of the seasons, caring for the creatures who find home and shelter in the garden.
