The 16th Sunday in Ordinary Time focuses on God's patience, mercy, and the growth of His kingdom. The readings show how God gives people time to change and how His kingdom grows in unexpected ways. Let us pray the following prayer this week:

Lord Jesus, plant your Word in our hearts and make it fruitful in our lives. Keep us free from sin and make us a fertile place where your love can grow. Let the Word which you have planted in our hearts not return to you void, but may it provide a rich harvest, a hundred, or fifty, or thirty-fold. Amen

What do we live for, if it is not to make life less difficult for each other?

Anytime we step out boldly to make changes, we take a chance that we might fail. But the only way to get better is to try.
