October: The Month of the Rosary

October is the month of the Holy Rosary. Pope Leo XIV has asked us all to pray the Rosary for peace every day, especially for an end to wars and conflict.

Why do we pray the Holy Rosary?

Rosary is a powerful weapon of prayer, as witnessed by former Popes in history. Pope Leo XIII, who was commonly called the Rosary Pope, declared the Month of October as the month of the Holy Rosary in 1883 and said that the Rosary “*is a prayer that transforms society, heals consciences, and defends the faith against modern errors.*”

Pope St. John Paul II added the five Luminous Mysteries to the Rosary in 2002 to deepen the Christological focus of the prayer, calling it an intensely contemplative path to holiness.

Pope Benedict XVI and Pope Francis continuously urged the faithful to hold the Rosary during global trials, pandemics, family breakdowns, and church crises as a unifying tool for peace.

Therefore, responding to Pope Leo XIV plea, let us all pray the Holy Rosary and let us pray for peace in the World. And may our Lady Queen of the Most Holy Rosary, pray for us. Amen.

Twenty Seventh Sunday In Ordinary Time

Thought for the Day

Whose Job?

This is a story about four people named everybody, somebody, anybody and nobody.

There was an important job to be done and everybody was sure that somebody would do it.

Anybody could have done it but nobody did. Somebody got angry with that because it was everybody's job.

Everybody thought anybody could do it but nobody realised that everybody wouldn't do it.

It ended up - everybody blamed somebody when nobody did what anybody could have done.

Pet Blessing in Kingston College – Sunday 4th October at 3pm. Bring your pets alone and join in a celebration of all life – in the Spirit of Francis of Assisi.

In honour of St. Francis of Assisi, pets from around the country receive a blessing this month—as well as confirmation for their owners that all of God's creatures are cherished and beloved. Francis, whose feast day is October 4th, loved the larks flying about his hilltop town. He and his early brothers, staying in a small hovel, allowed themselves to be displaced by a donkey. Francis wrote a Canticum of the Creatures, an ode to God's living things. "All praise to you, Oh Lord, for all these brother and sister creatures." And there was testimony in the cause for Saint Clare of Assisi's canonization that referred to her little cat!

Series of Talks for Neocatechumenal way - Mondays and Thursdays at the Town Hall at 8pm. Come and listen. God does not abandon us.

Prayer to St Michael, Gabriel and Raphael Archangels - Feast, 29th September 2026

Heavenly King, You have given us archangels to assist us during our pilgrimage on earth.

Saint Michael is our protector;

I ask him to come to my aid,

fight for all my loved ones,

and protect us from danger.

Saint Gabriel is a messenger of the Good News;

I ask him to help me clearly hear Your voice

and to teach me the truth.

Saint Raphael is the healing angel;

I ask him to take my need for healing and that of everyone I know,

lift it up to Your throne of grace and

deliver us back to the gift of recovery.

Help us, O Lord, to realize more fully the reality of archangels and their desire to serve us.

Holy angels, pray for us.

Amen.

Baptism 'enables all believers to possess an instinct for the truth of the Gospel'

The views and opinions of many different people and of interest groups are important to the Church in discerning 'the signs of the times', so that it can determine how best to proclaim the Gospel.

For instance, scientists, many of whom are non-Christians and perhaps even atheists, are often consulted on church policy documents when the subject matter relates to areas in which they have expertise.

Discerning the *sensus fidei*, however, it is quite different. It doesn't involve seeking out experts, at least not if by this we mean people with extensive knowledge, outstanding qualifications, or exceptional experience.

Rather, it involves seeking out those who, in their daily lives, try as faithfully as they can to live as disciples of Jesus within the community of the Church, nourished in this by the Word of God, personal prayer, regular celebration of the sacraments, and selfless acts of service.

It makes sense to understand the *sensus fidei* as residing with such people because it is the faithful living of one's faith within the church community and keeps alive the gift of being able to appreciate the Church's faith given at baptism. *Eamon Conway From 'Changing to be Faithful – Living Tradition in a Synodal Church'*,

Work hard, work honestly, and use your abilities to help yourself and others. True success comes not only from what we achieve, but from the character we develop while working.

St. Fanahan's Rosary Group meet every Thursday night at 6:30pm in Marian Hall.
All welcome.

Arranging of Flowers in the Parish Church - We are always grateful to those who arrange the flowers in our Parish Church. If you would like to get involved and help create a welcoming and beautiful space for our celebrations, new volunteers would be most welcome.
